

# Behaviour Program at Taumata School

## What is this?

Our Poutama Time behaviour program is modelled on the International evidence-based 'Positive Behavior For Learning - School Wide' (PB4L-SW) framework

This helps Taumata School build a culture where positive behaviour and learning become a way of life.

## What will this look like?

Our school focuses on establishing a safe and inclusive learning environment for all students.

We achieve this by teaching children social and behavioural skills in a positive and supportive environment; having clear expectations and consistency in teaching and responding to inappropriate behaviours fairly and equitably.
