## Our Place

Taumata School is a modern, purpose-built school located in The Lakes, one of Tauranga's most peaceful and family-friendly communities. We opened in 2019 to meet the needs of today's learners; offering bright, spacious classrooms and learning environments, and large open outdoor spaces for exploration and play.

Located just 15 minutes from Tauranga Airport and 2.5 hours from Auckland, we provide a calm and welcoming environment where children thrive.

## Our Purpose

Our Vision "Empowered to Learn, Empowered for Life" guides everything we do.

We follow the New Zealand Curriculum, delivering strong foundations in reading, writing, mathematics, science, the arts physical education, health and digital technology.

We support building curiosity, creativity and independence that ensures students are not just prepared for school but for the adventure that is life.

## Our People

At Taumata School, great education begins with great teachers. Our staff are professional, nurturing, and deeply committed to your child's academic success and emotional well-being. We have experience supporting students from many cultures, including Korea, and work closely with families to ensure a smooth and happy transition.

Our ESOL (English for Speakers of Other Languages) teachers provide daily language support tailored to each student's needs.

## ESOL Support

We proudly welcome International students.

Over 17% of our learners receive daily English language support from four experienced ESOL tutors. Lessons focus on language skills, confidence, and cultural understanding, helping students succeed in English-speaking classrooms and settle comfortably in our school community.

"The ESOL team helped me make friends and speak English with confidence"
